An agency may not conduct or sponsor a collection of information unless the collection of information displays a currently valid OMB control number and the agency informs potential

persons who are to respond to the collection of information that such persons are not required to respond to the collection of information unless it displays a currently valid OMB control number.

Agricultural Marketing Service

TITLE: Fruit and Vegetable Market News Reports

OMB CONTROL NUMBER: 0581-0006

SUMMARY OF COLLECTION: Section 203(g) of the Agricultural Marketing Act of 1946 (7 U.S.C. 1621) directs and authorizes the collection of information and disseminating of marketing information including adequate outlook information on a market-area basis for the purpose of anticipating and meeting consumer requirements, aiding in the maintenance of farm income and bring about balance between production and utilization of agriculture products. Market News provides all interested segments of the market chain with market information tends to equalize the competitive position of all market participants. The fruit and vegetable industries, through their organizations, or government agencies present formal requests that the Department of Agriculture issue daily, weekly, semi-monthly, or monthly market news reports on various aspects of the industry.

NEED AND USE OF THE INFORMATION: AMS will collect information on some 330 ornamentals, fresh fruit and vegetables, and specialty crops for the production of Market News reports that are then available to the industry and other interested parties in various formats. Information is provided on a voluntary basis and collected in person through face-to-face interviews and by confidential telephone throughout the country by market reporters. The absence of these data would deny primary and secondary users information that otherwise would be available to aid them in their production and marketing decisions, analyses, research and knowledge of current market conditions. The omission of these data could adversely affect prices, supply, and demand.

Agricultural Marketing Service

TITLE: Regulations for Voluntary Grading of Poultry Products and Rabbit Products,
7 CFR Part 70

OMB CONTROL NUMBER: 0581-0127

SUMMARY OF COLLECTION: The Agricultural Marketing Act of 1946 (60 Stat. 1087-1091, as amended; 7 U.S.C. 1621-1627) (AMA) directs and authorizes the Department to develop standards of quality, grades, grading programs, and services to enable a more orderly marketing of agricultural products so trading may be facilitated and so consumers may be able to obtain products graded and identified under USDA programs.

Regulations in 7 CFR Part 70 provide for a voluntary program for grading poultry and rabbits on the basis of U.S. classes, standards and grades. The Agricultural Marketing Service (AMS) carries out the regulations, which provide a voluntary program for grading poultry and rabbit products.

NEED AND USE OF THE INFORMATION: This is a voluntary program on a fee for service basis. Respondents need to provide their name and address and other relevant information to request or apply for the specific service they want. The information is needed to administer the program, assess the cost of providing service, and to assure graded poultry and rabbits are properly labeled. Without this information the agency could not ensure properly labeled poultry and rabbit products and the integrity of the

USDA grade mark if each new label was not submitted for approval.

Agricultural Marketing Service

TITLE: Tart Cherries Grown in the states of MI, NY, PA, OR, UT, WA, and WI

OMB CONTROL NUMBER: 0581-0177

SUMMARY OF COLLECTION: Marketing Order No. 930 (7 CFR Part 930) regulates the handling of tart cherries grown in Michigan, New York, Pennsylvania, Oregon, Utah, Washington and Wisconsin. The Agricultural Marketing Agreement Act of 1937 was designed to permit regulation of certain agricultural commodities for the purpose of providing orderly marketing conditions in inter and intrastate commerce and improving returns to growers. The primary objective of the Order is to stabilize the supply of tart cherries. Only tart cherries that will be canned or frozen will be regulated. The Order is administered by an 18 member Board comprised of producers, handlers and one public member, plus alternates for each. The members will serve for a three- year term of office.

NEED AND USE OF THE INFORMATION: Various forms were developed by the Board for persons to file required information relating to tart cherry inventories, shipments, diversions and other needed information to effectively carry out the requirements of the Order. The information collected is used to ensure compliance,

verify eligibility, and vote on amendments, monitor and record grower's information.

Authorized Board employees and the industry are the primary users of the information.

If information were not collected, it would eliminate needed data to keep the industry and the Secretary abreast of changes at the State and local level.

DESCRIPTION OF RESPONDENTS: Business or other for profit; Not-for-profit institutions
